THE PILGRIM SERIES OF RECORD BOOKS is arranged with the object in view of furnishing the most simple means of keeping a complete record of the Sunday-school. It comprises

- First:—a. THE PILGRIM CLASS RECORD (book), and b. THE PILGRIM CLASS CARD.
Second:—THE PILGRIM SUNDAY-SCHOOL RECORD BOOK.
Third:—THE PILGRIM MEMBERSHIP ROLL.
Fourth:—THE PILGRIM LIBRARY RECORD.*

NOTE.—The PILGRIM LIBRARY CARD, the PILGRIM GOLDEN TEXT BOOK, with SERMON RECORD, the PILGRIM WALLET (collection envelope), and the PILGRIM HOME DEPARTMENT SHEET (which includes letter, pledge, and attendance card), should be used in connection with this series.

THE PILGRIM CLASS RECORD, or CLASS CARD, is kept by the teacher and gives the attendance of each individual scholar as well as summaries and averages of both class attendance and contributions. There are two sizes of the Class Record Book: for 15 scholars and for 30 scholars.

NOTE.—For the accommodation of such secretaries as prefer to keep the attendance of the individual scholars, we publish the Pilgrim Secretary's Class Book. We do not recommend this method, however.

THE PILGRIM SUNDAY-SCHOOL RECORD BOOK is kept by the Secretary. It records the membership of the school (officers, teachers, and scholars), and constitution of each class; the attendance and contributions of each class for every Sunday of the year; and it contains the weekly, quarterly, and annual reports, and also the treasurer's account. This book is published in three sizes: for 20, 35, and 75 classes.

THE PILGRIM ROLL OF MEMBERSHIP records the names of all the members of the school with such facts regarding each as are of permanent value. This book is large enough to last a school for ten years.

THE PILGRIM LIBRARY RECORD is a common-sense method of taking care of the books of the Library, not the scholars of the school. Three sizes: 650 books, 1050 books, 1600 books.

A simple, practical, and labor-saving system of keeping the records of a Sunday-school should be based on the same principles that govern good book-keeping in a mercantile house. The work ought not to be done twice by two different people, but, on the other hand, each part of it should be performed by the one who can do it best, and to whom that special portion is of value as a record. The Pilgrim Books are made with the following points in view:—

First:—The Teacher should know the *individuals* of his class, and all individual statistics are of value only to the teacher.

Second:—The Secretary needs to know all facts concerning the *classes* of the school, and such statistics of the school as the class statistics combined will furnish. These are of value for the purpose of weekly, monthly, quarterly, and finally and principally, the Annual Report. They are not, however, of permanent value, and when the Annual Report has been made, the Secretary's yearly Record may be laid aside, the permanent portion of it having been incorporated in the Annual Report.

Third:—The Roll of Membership is of permanent value and should, therefore, be kept in a separate book (not in the yearly Record), and in connection with the names, the facts which have to do with the scholar's history, so far as his connection with the school is concerned, should also be preserved.

NOTE.—As some schools may not care to adopt in full the system incorporated in this Series, we print in the Pilgrim Sunday-School Record Book a *register of members* which may be used if the Secretary desires, so dispensing with the Pilgrim Roll of Membership.

The source of the Temperance movement. through the South came from International School association, then teaching, they claim it came from their efforts.

\$46,000 was raised by pledges for Temperance movement. One man said he would give a dollar for every state that passed a Temperance vote. Another man said he would give \$50 for the Smith family.

Mr Hartshorn of Cliftondale was one of the mainstays of this convention. he would give \$5,000 for this convention.

 "Fight the good fight of Faith". Mr. Dutuch
 said that he started out from college a
 gilt edged soldier, with rubber boots, tan
 walking shoes took them along, Talcum
 took that along. Got to Columbia, Chattanooga
 + Tampa had to let them go. We've got a whole
 lot of unnecessary things that we will have
 to let go. Strip yourselves for the fight.
 Go into training. Lay aside every
 weight. I'm Cassius - said
 we need of defeat.
